Learn how to capture nature's beauty
with photography—an introductory course
that explores various camera types and op-
erations (lighting, focusing, and framing
subjects). Campers photograph wildlife
and nature scenes to create a photo album
for displaying their work. Parents should
provide a camera (disposable is fine), 200
speed film, & processing cost. Campers
bring own lunch and drink. Snacks will be
provided.

Outdoor Camping Adventure—and Overnight

Age: Entering 4th through 6th grades

Session 1: July 8-12

Tuition: \$160

Before and/or After Care: available 8-9 am and 4-5 pm
(\$2.50 per hr/\$5.00 for both)

Learn to enjoy a camping trip in many challenging condi-
tions and situations. Campers will explore camping techniques such as fishing,
fly tying, setting up a campsite, first aid for the outdoors, orienteering, and hiking.
New skills will be used during the adventuresome overnight camp-out. Campers
bring own lunch and drink. Snacks and campout food will be provided. Campers,
please bring tents if you have them.
